

Brunkow wins 10/11 Sunshine Award

"I would like to nominate Deb Bronkow of Western, shown far left in the above photo, for the Sunshine Award," started a letter written to KOLN/KGIN television by Milligan's Jeanne Pence. As Pence explained, "She has been the volunteer Choir Director for our local area combined performing choir for over 10 years, organizing both Easter and Christmas cantatas, many for area churches that are too small to have their own choirs. We 'pool all our singers' into one corporate resource and Deb produces and directs all the music for our performances - at local Methodist, Lutheran, Congregational churches, etc. on consecutive Sundays surrounding each holiday."

"Because of Deb's personal dedication and sacrifice, many smaller churches are able to enjoy holiday programs that would not be possible using strictly their own members. She has also volunteered her musical talent in local churches for many years, performing with her family in a singing group when her children were smaller. We enjoy singing in the choir and also being able to bless others by being part of this effort. But it would never happen without Deb Brunkow getting and keeping us all organized," Pence concluded.

Deb Brunkow received the 10/11 Sunshine Award yesterday, Tuesday, April 22, 2008, and fittingly so! Nebraska truly is blessed to have her and her talents.
