

'Words for Thirds'  
by Lee De Bevoise

The National Grange's "Words for Thirds Dictionary Project" has been embraced by the Friend Grange. This year every third grader in Mrs. Karen Durfee's class received a student dictionary.

On hand to distribute the words to the thirds were local Grange members Joan Weber and Arline Vossler. As they explained, "This is a community service project of the Friend Grange that is in it's third or fourth year."

The longest known word in the English language and a sign language chart is just a couple of the many features of the new student dictionary. Hats off to the Friend Grange for continuing to provide the words for the thirds!
